Contest Rules

1. Only JPEG renderings are acceptable.

2. All renderings must be lighted properly.

3. All renderings must be rendered at the output size of 640 x 480.

4. Renderings must be titled with your full name. Example: *Joe_Schmoe_Dune_Buggy*.

5. All Renderings are to be placed into the *"Spring-2017-Dune-Buggy-Contest"* folder on the Flash Drive. When you're ready to submit your entry, ask me and I'll give you the drive.
