23223				B		

Your grades are a combination of quality and work habits

Quality

All projects share common elements of quality. I look for:

1. Articulation of body parts ie. Where do the bones meet and bend?
2. Definition of muscles ie. Can you see where the biceps end and the lower arm begins?
3. Anatomical features ie. Facial landmarks like the naso -labial fold and the area called the glabellum.
4. Finish - Have you completed the peice with a properly even or textured surface or is it rough and sloppy?
5. Creativity - Is your piece original, does it have personality?

Work Habits

This is an informal environment. As such it requires a level of maturity and impulse control.

If you're not up to the task you will be dropped. It is my decision. So...

1. Be on time
2. Don't disturb the class
3. Focus on your work
4. Behave in an adult manner
5. Clean up after yourself – Remember, after you leave someone else has to sit in that seat.
6. Do not eat in classroom unless given permission.
