

Copying SIGGRAPH Video Review Content to iTunes

1. Open iTunes (ensure you have the latest version).
2. Create a new *playlist* in iTunes.
3. Import all the animations from the *Media/videos* directory into the *playlist* you just created.
4. The animations are now ready to be played back in order.

Note: If *Home Sharing* is turned on, it is possible to play the videos back on the latest AppleTV.

Contact siggraph@soma-media.com for questions and comments.
